

**JERRY SHELBURG 8th ANNUAL
MEMORIAL SPORTSMANSHIP AWARD – 2013**

Jerry Shelburg, who passed away in 2006, and his wife, Kathy, operate the concession stand at Sertoma Softball Park. Jerry was a great supporter of softball for all age groups in the Yankton area and always appreciated teams and fans that showed their sportsmanship on and off the field and respected others by keeping the dugouts and park clean for the next team to play. The Yankton Girls Softball Association would like to dedicate this tournament in his memory.

The Jerry Shelburg Sportsmanship award will be awarded to one team in the tournament that has shown the highest Sportsmanship. Each team will be judged by the Yankton Girls Softball Board members and Umpires, on their enthusiasm of the game, (which includes a clean dugout after your game and keeping the team area clean), courtesy to team players and coaches, courtesy to the opposing team and umpires, fan behavior and participation.

Thank you for your participation – Have a great weekend and Lets Play Ball.
